5

## Case study: my roommate

- English major
- "I try to figure out all the words before swapping anything"

6

### Case study: me

- Will swap anything with color
- ie. mindlessly move yellows

### The 5-star Mindset

- There are 12-16 non-green tiles
- Aim for double green swaps
  - Getting two tiles in the right place in one swap
  - Want (# Non-green tiles) – (15 swaps – 5 swaps left) – 1
  - = (# Non-green tiles) – 11 double greens
- Try to figure out words
